ENCORE JUKEBOX

THE FUTURE OF ENTERTAINMENT

The latest introduction to the HANKIN MUSIC range of digital jukeboxes brings together more advanced technology, our new “streaming graphics” and easier player operation. The sleek design has the smallest footprint of all our models, ensuring it can be easily installed in most venues. The Encore has more music than any other digital jukebox on the Australian market with over **30,000 songs** including **10,000 high definition** video clips.

A host of great features such as an in-built raffle and badge draw system, and Billboard Manager advertising. Fitted with a note acceptor and 19” high definition touch screen the Encore is at the forefront of digital music solutions for any venue.
